

Heather L. Wendell, PT

CONTINUING EDUCATION COMPLETED

2022

Monthly BWC Employer and Provider Webinars. Monthly.

Using Dry Needling to Treat Lower Leg Issues for Runners. Live webinar. September 20, 2022.

Evidence Based Rehabilitation Post Hip Arthroscopy. Live webinar. September 17, 2022.

1st Annual OhioHealth Orthopedic CME Symposium for Primary Care Providers. Live webinar. September 17, 2022.

Neurodynamics Moving Beyond Nerve Mobilization: Examination, Intervention, and Clinical Reasoning. Live webinar. September 14, 2022.

Clinical Response to Imaging. Live Webinar. August 31, 2022.

Diagnostic Imaging: What to Order and When? Live Webinar. August 30, 2022.

Foundations for the Primary Care PT. Chicago, Illinois. August 27-28, 2022.

MasterClass: Dry Needling the Thigh and Knee for Runners. Live webinar. August 16, 2022.

Musculoskeletal Imaging of the Elbow, Wrist and Hand. Live webinar. August 10, 2022.

Properly Using and Scoring the Rapid Entire Body Assessment (REBA) Ergonomic Tool. Webinar. July 26, 2022.

How to Determine a Work Conditioning/Work Hardening Recommendation from an Outpatient Functional Progress Note. Webinar. July 26, 2022.

Benefits of Pre Shift Stretching for Injury Prevention Programs. Webinar. July 26, 2022.

How to Calculate Constant Material Handling Abilities in an FCE. Webinar. July 26, 2022.

How to Show a ROI on Your Early Intervention Program. Webinar. July 26, 2022.

How to Grow Your Cash Based Ergonomic and Prevention Services at Local and National Employers. Webinar. July 26, 2022.

How to Test and Implement Constant Material Handling and Constant Job Tasks into a Work Conditioning Program. Webinar. July 26, 2022.

How to Determine When to Use Repetitions, Weights, or Frequency for Post-Offer Employment Testing. Webinar. July 26, 2022.

How to Determine Sitting/Standing in an FCE. Webinar. July 26, 2022.

How to Begin Growing An Early Intervention Program. Webinar. July 26, 2022.

How to Grow Your Workers' Comp Physical and Occupational Therapy Referrals. Webinar. July 26, 2022.

How to Develop and Progress Job Simulation Circuits in a Work Conditioning Program. Webinar. July 26, 2022.

How to Determine Frequency and Duration With Treatment for Work Related Injuries Onsite at Companies. Webinar. July 26, 2022.

Know Pain. Know Gain. Less Pain. Better Performance. Innovation, Biomarkers, Allostatic Load, and Psychology in Pain and Performance. Live webinar. July 26, 2022.

A Safety Director's Take on Today's Post Offer Employment Testing and Injury Prevention Programs. Webinar. July 26, 2022.

20 Tips Claim Series: The First 90 Days. Webinar. July 26, 2022.

A Grand Rounds Webinar: Biomechanics Associated with Knee Injury: A Case for Changing Movement and Clinical Insights to the Successful Treatment of Patellofemoral Pain. Live Webinar. July 26, 2022.

Psychological Aspects of Return to Performance After Injury. Casual Chats with Sylvia Czuppon. Live Webinar. July 21, 2022.

MasterClass: Total Motion Release with Dry Needling. Live webinar. July 19, 2022.

The Future Physical Therapist: Considerations for Practice in Primary Care. Webinar. July 17, 2022.

Managing COVID-19 Workers' Compensation Patient in a Functional Capacity Evaluation and Work Conditioning Program. Live Webinar. July 12, 2022.

What Everyone Should Know About Sacroiliac Pain and Pelvic Girdle Pain. Webinar. June 11, 2022.

Osteoarthritis is a Joint Disease, Right? Myths, Modern Views and Making Better Treatments. Webinar. June 10, 2022.

Workers' Compensation Emerging Trends: Meet and Hear from the Authors of "Clinical Guidance to Optimize Work Participation After Injury or Illness: The Role of Physical Therapists", Session 3 – Practical Worker' Comp Evaluation and Treatment Applications. Webinar. June 10, 2022.

When All Else Fails - Physical Therapy vs Pain Management: Shoulder and Knee Injuries. Webinar. May 20, 2022.

Workers' Compensation Emerging Trends: Meet and Hear from the Authors of "Clinical Guidance to Optimize Work Participation After Injury or Illness: The Role of Physical Therapists", Session 2 – Intervention and Treatment. Live Webinar. May 17, 2022.

Look At Your Patient's Hands! The Importance of Examining the Hands for Differential Diagnosis. Live Webinar. May 16, 2022.

A Grand Rounds Webinar: Neuroplasticity Following an ACL Injury – Pathomechanics and Treatment. Live Webinar. May 3, 2022.

Better You, Better Ohio. Live Webinar. April 26, 2022.

Ergonomics and Total Worker Health for Industrial Athletes. Live Webinar. April 20, 2022.

17th Annual OhioHealth Capital City Sports Medicine Symposium. Columbus, Ohio. April 15-16, 2022.

Workers' Compensation Emerging Trends: Meet and Hear from the Authors of "Clinical Guidance to Optimize Work Participation After Injury or Illness: The Role of Physical Therapists", Session 1 – Intake and Evaluation. Live Webinar. April 14, 2022.

Accident Investigation; Ergonomic Injuries. Live Webinar. April 12, 2022.

Ohio Bureau of Worker's Compensation Medical & Health Symposium. April 7-9, 2022.

Musculoskeletal Imaging of the Leg, Ankle and Foot. Live webinar. March 16, 2022.

Psychologically – Informed Pain Practitioner Certification. Webinar. February 26, 2022.

Sports Medicine Update: Building Young Athletes Safe and Healthy XV. Virtual Conference. March 4, 2022.

Pain Neuroscience Education 101. Adriaan Louw. Webinar. February 20, 2022.

Changing the Course of Back Pain the MDT (Mechanical Diagnosis and Treatment) Way – McKenzie Institute USA. Cora Aytona, Gary Dykes. Webinar. February 20, 2022.

Two Pain Revolutionaries on the Couch. David Butler, Lorimer Moseley. Webinar. February 20, 2022.

Practicing as a Manual Therapist: Why "Just OK" is NOT OK. Emilio Puentedura. Webinar. February 20, 2022.

Incorporating SenMoCOR into Comprehensive Lower Quarter Musculoskeletal Management. Phillip Sizer Jr, Brent Denny. Webinar. February 20, 2022.

Smart Somatic Solutions – Learning Ways to Tap into Your Body's Sense of Movement. Stacy Barrows. Webinar. February 20, 2022.

Overcome Back and Neck Pain: Strategies for Pain Sufferers and Those Who Treat Them. Yoav Suprun. Webinar. February 20, 2022.

Equipping Future Physical Therapists for the Pain Epidemic. Adriaan Louw, Louie Puentedura, Kory Zimney, and Stephen Schmidt. Webinar. February 20, 2022.

Mindfulness as Medicine: Practical Strategies for Stressful Times. Webinar. February 15, 2022.

OPTA Pain SIG PainCast. Webinar. February 15, 2022.

Getting to the Core of it: Conservative and Surgical Management of a Complicated Diagnosis. APTA CSM. San Antonio, Texas. February 5, 2022.

Getting to the Root of it: No All Meniscus Tears are Created Equal. APTA CSM. San Antonio, Texas. February 5, 2022.

An Integrative Approach to the Diagnosis, Prognosis and Management of Common Upper Extremity Mononeuropathies. APTA CSM. San Antonio, Texas. February 5, 2022.

Examination and Rehabilitation of Upper Extremity Injury in Athletes, Part 2. APTA CSM. San Antonio, Texas. February 4, 2022.

The Unforgiving Elbow: Treatment Update to Optimize Patient Outcomes. APTA CSM. San Antonio, Texas. February 4, 2022.

Is It Really Musculoskeletal Pain: A Case Based Approach to Upper Quadrant Differential Diagnosis and Medical Screening. APTA CSM. San Antonio, Texas. February 4, 2022.

The Stiff Post Op Knee: Why it Happens and What to Do About It. APTA CSM. San Antonio, Texas. February 4, 2022.

Barriers and Solutions to Implementing Primary Care PT Practice. APTA CSM. San Antonio, Texas. February 4, 2022.

Return to Work: It Doesn't Happen By Accident. APTA CSM. San Antonio, Texas. February 3, 2022.

Demonstrating Competencies in Physical Therapy Referral for Imaging. APTA CSM. San Antonio, Texas. February 3, 2022.

Unraveling Nerve and Tendon Disorders of the Foot and Ankle. APTA CSM. San Antonio, Texas. February 3, 2022.

Practical Application to Integrate Neuroscience Pain 2.0: Empowering Patients with Persistent Pain. APTA CSM. San Antonio, Texas. February 2, 2022.

Utilizing Diagnostic Imaging in Direct Access Physical Therapy: Where to Start and Where to Go. APTA CSM. San Antonio, Texas. February 1, 2022.

APTA Combined Sections Meeting. San Antonio, Texas. February 1-5, 2022.

Musculoskeletal Imaging of the Hip and Pelvis. Live webinar. January 12, 2022.

2021

On-site Workplace Injury Triage – The Role of the PT. Live Webinar. December 4, 2021.

Anatomy Trains in Motion: Getting Started. Webinar. November 19, 2021.

Franklin Method: Dynamic Lower Back Fascia. Webinar. November 19, 2021.

Musculoskeletal Imaging of the Shoulder. Live webinar. November 16, 2021.

MSKUS in the Hands of the Physical Therapist – Its Current and Expanding Utility: Part II. Live webinar. November 10, 2021.

MSKUS in the Hands of the Physical Therapist – Its Current and Expanding Utility: Part I. Live webinar. November 1, 2021.

Leadership Commitment and Accountability. Live webinar. October 18, 2021.

Experiences of the First Four: Achieving Imaging Referral Privileges. Webinar. October 17, 2021.

Musculoskeletal Imaging of the Thoracolumbar Spine. Live webinar. October 12, 2021.

Mindfulness Based Pain Relief. Joe Tatta. Webinar. September 18, 2021.

Musculoskeletal Imaging of the Knee. Live webinar. September 15, 2021.

The Orthopedic Foundation Research CME Series 2021. Live webinar. August 17-September 18, 2021.

Point-of-Care: Improve Your Lateral Ankle Injury Management: AIUM webinar. August 16, 2021.

Ohio Jurisprudence Assessment Module. July 4, 2021.

Ohio Bureau of Worker's Compensation Transitional Work Grant Enhancements. Webinar. June 10, 2021.

35th Annual Advances on the Knee, Shoulder, Hip and Sports Medicine: Surgery, Rehabilitation, Clinical Outcomes. May 28-29, 2021.

Introduction to Musculoskeletal Imaging. May 12, 2021.

Ohio Bureau of Worker's Compensation Medical & Health. April 9-10, 2021.

2020

Motor Control Research: Basic Advances and Applications to Rehabilitation. Presentation entitled A Program of Activities Promoting Functional Recovery After Stroke. Debbie Nichols, PT, PhD. November 2, 2000.

Motor Control Research: Basic Advances and Applications to Rehabilitation. Presentation entitled Task Constraints and Functional Motor Performance: Implications for Stroke Rehabilitation. Virgil Mathiowetz, OT, PhD, FAOTA. October 26, 2000.

The Orthopedic Foundation Research Day. Columbus, Ohio. September 19, 2020.

BWC's Transitional Work Grants Program. August 11, 2020.

Ohio Jurisprudence Assessment Module. May 15, 2020

E-Visits and TeleHealth for Outpatient Therapy. Webinar. March 31, 2020.

Private Practice Section of APTA webinar on E visit and TeleHealth. March 19, 2020.

The Ultimate Guide to Treating Hip, Groin & Thigh Injuries. Restore Function & Performance in Fewer Sessions with Today's Best Practices. Columbus, Ohio. March 13, 2020.

Master Dry Needling. Cincinnati, Ohio. February 14-16, 2020.

2019

Live Yes! Arthritis Showcase. November 16, 2019.

Functional Movement Techniques Certification Series: FMT RockFloss. Columbus, Ohio. October 13, 2019.

Functional Movement Techniques Certification Series: FMT RockPods. Columbus, Ohio. October 12, 2019.

Behavioral Treatment of Chronic Pain: Evidence Based Techniques to Move People from Hurt to Hope. Columbus, Ohio. July 26, 2019.

The Orthopedic Foundation Research Day. Columbus, Ohio. July 20, 2019.

Highlights of the 2nd Quarter Billing and Reimbursement Manual Update. July 16, 2019.
Ohio Bureau of Worker's Compensation Medical & Health Symposium. April 25-26, 2019.
14th Annual Capital City Sports Medicine Symposium. Columbus, Ohio. April 20-21, 2019
15th Annual Capital City Sports Medicine Symposium. Columbus, Ohio. April 19-20, 2019
Safety Congress 2019. March 7-8, 2019.
Hand Rehabilitation Foundation: Therapy – Surgery and Rehabilitation of the Hand with Focus on Weekday and Weekend Warriors. Philadelphia, Pennsylvania. March 2-5, 2019.

2018

Non-Surgical Management of Shoulder Pain: Mechanism of Injury, Regenerative Medicine Alternatives & New Rehab Technologies. Columbus, Ohio. November 2, 2018.
Splinting Material – Demystifying the Selection Process. Webinar. July 19, 2018.
Differential Diagnosis of the Hip Joint and Pelvic Region. June 24, 2018.
Blood Flow Restriction Training and Physical Therapy. June 12, 2018.
BWC's Transitional Work Grants Program. June 5, 2018.
14th Annual Capital City Sports Medicine Symposium. Columbus, Ohio. April 20-21, 2018.
Multiple Sclerosis and Spasticity CME Program. April 6, 2018.
Safety Congress 2018 and Medical & Health Symposium. March 7-9, 2018.
Neurobiology of Addiction – Science Meets Recovery. March 9, 2018.
Safe and Effective Discontinuation of High-Risk Medications. March 9, 2018.
New Avenues of Intervention for Injured Workers at Risk of Delayed Recovery. March 9, 2018.
When Changes Chooses You. March 8, 2018.
Empowering Ability in Disability – Return to Function. March 8, 2018.
Moving Toward a Targeted Approach to Concussion. March 8, 2018.
Shoulder Injuries – Treatment, Referral, Surgery and Return to Work. March 8, 2018.
Wellness and Total Worker Health – Identifying Red Flags. March 8, 2018.
Diversity – Cultural Competencies Leading to Better Outcomes. March 8, 2018.
Medication Trends and Impacts on Workers' Compensation. March 8, 2018.
Distracted Driving. Safety Congress. March 7, 2018.
Team Work for Successful Return to Work of Mild Traumatic Brain Injury and Post – Concussion Syndrome. Safety Congress. March 7, 2018
Using Your Return-to-Work Toolbelt. Safety Congress. March 7, 2018.
Workplace Violence – A Personal Perspective. Safety Congress. March 7, 2018.
MPS Pain Therapy. January 27-28, 2018.
Home Modifications: Principles of Design and Safety. January 20, 2018.
Creative Approaches for Therapeutic Exercise in the Older Adult Population. January 14, 2018.
Evidence-Based Resistance Training for Older Adults: Modified Strengthening Exercises for the Lower Body, Gait, and Core. January 14, 2018.
Shoulder Disorders: Proven Treatment Interventions for Scapular Dysfunction, Impingement, and SLAP Tears. January 14, 2018.

2017

Managing Pain and Return to Work Early: Before It's Too Late. Ohio Workers' Compensation Medical and Health Symposium at the Ohio Safety Congress and Expo. March 9, 2017.
Managing the Changing Needs of the Aging Injured Worker. Ohio Workers' Compensation Medical and Health Symposium at the Ohio Safety Congress and Expo. March 9, 2017.
Approaches to Non – Opioid Treatment Options. Ohio Workers' Compensation Medical and Health Symposium at the Ohio Safety Congress and Expo. March 9, 2017.
Periarticular Injuries of the Lower Extremity. Ohio Workers' Compensation Medical and Health Symposium at the Ohio Safety Congress and Expo. March 9, 2017.
Neuromodulation Advances for Management of Chronic Disease.

2016

New Payment System. Evaluation Codes for Physical Therapy – A Step Toward Payment Reform. Webinar. October 30, 2016.

Healing from the Core. Open your flow of natural energy and abundance in your practice and in your life. October 29, 2016.

Functional Movement Techniques Certification Series: FMT Blades. October 26, 2016.

Ergonomics & Injury Prevention Webinar. September 21, 2016.

BWC's Transitional Work Grants Program. August 16, 2016.

An Introduction to Dry Needling in Clinical Practice. March 11, 2016.

2015

Kinesiology Taping, Manual Therapy & Neuromuscular Re-Activation. November 8, 2015.

Rotator Cuff Dysfunction – Functional Recovery From Impingement and Surgery. October 21, 2015.

2015 NEXT Conference and Exposition. June 3-6, 2015.

Current Strategies for Treatment of Hip Pain. March 7, 2015.

2014

2014 Scientific Symposium: Management of Cartilage Injuries Across the Lifespan. October, 10, 2014.

The Ohio Fire and EMS Expo. September 25-26, 2014.

BWC's Transitional Work Grants Program. August 12, 2014.

The 10th Annual Capital City Sports Medicine Symposium. April 11-12, 2014.

OPTA Spring Symposium: Payment Policy and Compliance for Today and Tomorrow: Applications for Physical Therapy. March 28, 2014.

Kinesiology Taping, Manual Therapy & Neuromuscular Re-Activation. March 24, 2014.

Transitional of Care: Ensuring Successful Clinical Outcomes. January 13, 2014.

Advocacy and Current Legislation Relative to Physical Therapy. January 7, 2014.

Aquatic Lumbar Stabilization Progressions. January 7, 2014.

Hipsters Unite: Exploring the Relationship Between the Hip and Low Back Pain. January 7, 2014.

2013

5th Annual Instructor Development Symposium – Instruments for Instructional Improvement. November 1-2, 2013.

The Ohio State University Ergonomics Short Course. October 22-25, 2013.

Join the Revolution: Analyzing the Benefits of Revolutionary Strength Training for Firefighters. September 27, 2013.

The 9th Annual Capital City Sports Medicine Symposium. April 12-13, 2013.

2012

BWC's Transitional Work Grants Program. June 11, 2012.

Kinesiology Taping. May 19, 2012.

The 8th Annual Capital City Sports Medicine Symposium. April 13-14, 2012.

Matheson Functional Capacity Evaluation Certification Program. February 15-18, 2012.

Advanced Stroke Life Support. January 19, 2012 and February 9, 2012.

2011

Gateway EDI's Tools and Service. Webinar. November 8, 2011.

The 7th Annual Capital City Sports Medicine Symposium. April 15-16, 2011.

2010

Staying Competitive in Today's Healthcare Reform Environment: Critical Strategies for Practice and Financial Management. August 17, 2010.

"Sticky" PT Marketing Using Facebook and Twitter: Introduction, Strategy and Application. July 13, 2010.
